

<< **Title**>>

Track:<<Track Name>>

**Abstract**

<<Write a short abstract around 300 words>>

**Keywords**

<<Give a minimum of four keywords that would help readers searching for your paper>>

## **Extended Abstract**

<< You may write about your research here in around 2000-2500 words (excluding references, tables, figures). Note that the upper limit of 2500 words is a hard limit. Papers not adhering to this limit will not be reviewed. Please follow the below pattern for the extended abstract.

### **1. Introduction**

### **2. Objective**

### **3. Methodology (not applicable for nonempirical papers)**

### **4. A summary of findings**

### **5. Conclusion/Key contributions >>**

## **References**

<<You may add here the reference to research cited in your extended abstract.>>
